#### Remarks

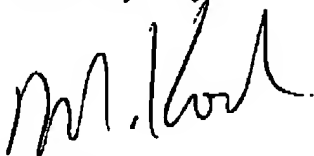

#### Amendment of Claims

Kindly note that in the original application we had one multiple dependant Claim, namely Claim 9 which depended from Claims 1, 4 or 5. Kindly note that we have amended Claim 9 to only depend from Claim 1 and we have added Claims 16 and 17 since we are below the 20 dependant Claim limit for the initial filing fee.

Therefore, kindly note that the application now has no multiple dependant Claims and this application should be in a condition for Examination by the Examiner.

Kindly call should you have any questions, I remain.

Yours very truly,
